## Volume 49

## Journal of Northwest Atlantic Fishery Science

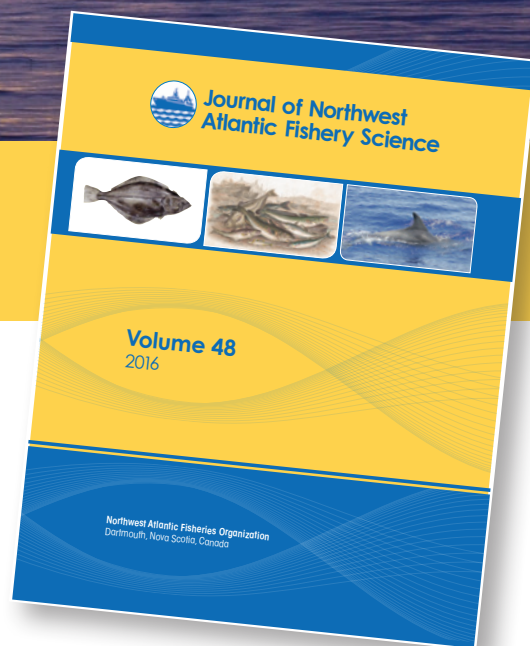

### About us

The *Journal of Northwest Atlantic Fishery Science* features:

- **OPEN-ACCESS, FREE-OF-CHARGE!**
- **peer-reviewed scientific papers**
- **online submission process - NEW!**
- **online and print**

The journal focuses on:

- environmental, biological, economic and social science aspects of living marine resources and ecosystems of the northwest Atlantic Ocean.
- scientific symposia sponsored by NAFO or in collaboration with other international scientific fisheries organizations, like the International Council for the Exploration of the Sea (ICES) are published in special volumes of the Journal.
