OCEAN TRACKING NETWORK

2019 OTN SYMPOSIUM

AGENDA

ARENDAL, NORWAY
JUNE 28 - 29, 2019
ARENDAL KULTURHUS
FRIDAY, JUNE 28

15:00 – 16:00  OTN ISAC MEETING
Invite only.

16:00 – 18:00  COCKTAILS + TRACKER TRIVIA
Hosted by Sara Iverson and Fred Whoriskey. Winning table gets a round of Tag! You're It! The number on your name tag corresponds with your team table number.

SATURDAY, JUNE 29

8:30 – 9:30  BREAKFAST
Featuring short talks by Montana McLean (Acadia University), Megan McKinzie (U.S. Animal Telemetry Network), InnovaSea (speaker TBD) and Kim Whoriskey & Robert Lennox (Dalhousie University and Laboratory of Freshwater Ecology and Inland Fisheries).

9:30 – 10:45  PANEL DISCUSSION: KEY RESEARCH THEMES
Current, emerging and cross-cutting research themes moderated by Sara Iverson and Fred Whoriskey with panel members Rob Harcourt (IMOS), Montana McLean (Acadia University), Paul Cowley (SAIAB), Frida Lara Lizardi (MigraMar) and Megan McKinzie (ATN).

10:45 – 11:00  BREAK
11:00 – 12:00  Integrated Problem Solving: Discussion
Grant writing, reporting, workshops and other funding opportunities with moderators Brendal Townsend, Sara Iverson and Fred Whoriskey.

12:00 – 13:00  Lunch

13:00 – 15:30  Integrated Problem Solving: Breakout
Concurrent sessions:
  ○ Best practices in the field: a discussion with Nathan Glenn, Cassandra Hartery, Joseph Pratt and members of IMOS and InnovaSea.
  ○ Telemetry database compatibility workshop with Jon Pye, Caitlin Bate, Angela Dini and InnovaSea.

15:30 – 15:45  Break

15:45 – 16:45  Next Generation Integration
Bringing it all together with moderator Rob Harcourt: research collaborations, integrated reporting, high-level project syntheses, next steps and 2020 OTN Symposium planning.

16:45 – 17:00  Closing Remarks

18:30  Dinner
A big thank you to our sponsors and attendees for making this year’s Symposium a success!
